Porvorim, 21st March, 2007.					
Circular					
No. 16-1-2006/RD (Part)					
1. Whereas, there are several project affected persons in the State who have been allotted land for agricultural, housing and other purposes. Most of these persons were granted land in lieu of compensation towards their lands being taken for public projects such as irrigation etc. The lands granted to such project affected persons are however classified as Class II occupants.					
2. The classifications of Class II occupants to all such project affected persons causes immense hardships to the allottees at the time of death and succession and so also to avail finance for agricultural purpose as the Class II classification alongwith other restrictions on					

transfer virtually does not allow them to mortgage the property without prior Government's approval. The approval from Government is time consuming and at times not agreed.

In view of above, the Cabinet in its XXXIIIrd meeting of Council of Ministers held on 20-03-2007 at 11.30 a.m. under the Chairmanship of Chief Minister in the Secretariat, Porvorim has considered difficulties faced by them and taken the following policy decisions.
